Re: 1975 6 HP Evinrude..lower unit oil change frequency Really depends on use, if you are out runnig the motor 5-6 hours a day then alot more often than if you take it out every other saturday. I normally change mine in the fall then at least once during the season more to keep an eye on water leaks than because it needs changed.

Re: 6hp - water pump working fine, no blockage in engine but still not pumping water? that's right, i put the same impeller back. I did discover the water depth thing, when testing the impeller with the drill, the water level needs to be higher than the impeller housing in order for it to fill with water.
