Asylum - a right denied : a critical analysis of European ...

One of the most devastating parts of the proposed regulations overhauling asylum law issued on June 15 is a new rule allowing immigration judges to deny asylum applications without an evidentiary hearing. The regulation states that the judge can "pretermite" legally insufficient applications, meaning deny them without even giving the asylum seeker a chance to testify.

Denying Asylum Without a Hearing Violates Due Process ...

Despite this, MPP and the US government's response to COVID-19 have denied asylum seekers their right to protection. Many are abandoning their efforts to petition for asylum in the United States. Maria, a 30-year-old mother of two young children is facing this challenge. Gangs in Honduras targeted and physically assaulted her daughter.

The New Humanitarian | Will COVID-19 halt asylum in the ...

After government officers abducted and beat him, Vijayakumar fled the country and sought asylum in the United States. But his claim was denied after a cursory and inadequate interview. Like many asylum seekers who reach the United States, Vijayakumar was placed into the "expedited removal" system. That system, created by Congress in 1996, is an alternative to the normal deportation system and applies to certain immigrants — particularly those who arrive without a visa or other ...
