One of the biggest issues related to property, plant and equipment is accounting for spare parts, servicing equipment, stand-by equipment and similar items.. IFRS standards are pretty silent about this topic, the guidance is very limited and as a result, companies need to rely on careful assessment of the situation and their judgment.

How to Account for Spare Parts under IFRS - CPDbox

It is an integrated solution that provides a function related to accounting, reporting and inventory This version includes VAT (Value Added Tax) functionality, Licensing and Tax deduction at source It is widely used because of simplifying VAT, Service Tax and TDS formalities
