### Cultural Power Resistance And Pluralism

Classical pluralism is the view that politics and decision-making are located mostly in the framework of government, but that many non-governmental groups use their resources to exert influence. The central question for classical pluralism is how power and influence are distributed in a political process. Groups of individuals try to maximize their interests.

### Pluralism (political theory) - Wikipedia

The Cultural Revolution, formally known as the Great Proletarian Cultural Revolution, was a sociopolitical movement in China from 1966 until Mao Zedong's death in 1976, launched by Mao, the Chairman of the Chinese Communist Party (CCP) and founder of the People's Republic of China (PRC). Its stated goal was to preserve Chinese communism by purging remnants of capitalist and traditional ...

### Cultural Revolution - Wikipedia

For lasting peace, only decentralization of the political system and the adoption of political pluralism will ensure the equal distribution of power between all people—regardless of ethnicity, gender, or religion—and enable women and men to enjoy their full rights as citizens and human beings while preserving their cultural identities.

A critical factor for energy democracy is the development model through which these technologies are deployed. The energy democracy movement recognizes that the choice of different scales of deployment, from the largest megaprojects to the smallest community solar project, potentially lead to very different renewable energy futures .The development of the transmission grid is further viewed as ...
