Downloadable! European Union continues the integration process as a postmodernist structure. From an institutional optics, the European Union integration is balancing between federalism and intergovernmentalism in the debate sphere. The relation between EU accession and the effects towards economic growth, future integration issues, the federalism and the constitutionalism of the European ...

The postmodern issues and the theory of integration

In antiquity, the Roman Empire brought about integration of multiple European and Mediterranean territories. The numerous subsequent claims of succession of the Roman Empire, as well as the Classical Empire itself, have occasionally been reinterpreted in the light of post-1950 European integration as providing inspiration and historical precedents.

European integration - Wikipedia

"Voices from Brussels : visions for a postmodern Europe" An online collection of algorithm-controlled scholarly articles on European issues by distinguished virtual scholars. Meeting the intellectual elite on the crossroads of postmodernist verbal expression and European integration.

European Journal for Postmodern Problems

The modern project of European integration is incorporating more and more "state-like" functions such as economic, monetary and foreign and security policy. But does the EU also have a solid basis of support among European citizens? For the further development of European integration one of the main questions seems to be how homogeneous Europe needs to be in cultural terms?
