European State Aid Law A

A company which receives government support gains an advantage over its competitors. Therefore, the Treaty generally prohibits State aid unless it is justified by reasons of general economic development. To ensure that this prohibition is respected and exemptions are applied equally across the European Union, the European Commission is in charge of ensuring that State aid complies with EU rules.

What is state aid? European Commission

European State Aid Law Quarterly ESTAL was established in 2002 as the first pan-European publication for State aid law and is still recognized as the leading journal in its field today. ESTAL's successful philosophy is to serve as a forum for open dialogue and reflection on State aid law and policy for and between academics, judges, Commission and Member States officials and private practitioners.

ESTAL - European State Aid Law Quarterly

State aid in the European Union is the name given to a subsidy or any other aid provided by a government that distorts competitions. Under European Union competition law the term has a legal meaning, being any measure that demonstrates any of the characteristics in Article 107 of Treaty on the Functioning of the European Union, in that if it distorts competition or the free market, it is classed by the European Union as being illegal state aid.

State aid (European Union) - Wikipedia

About European State Aid Law. The regulation of State Aid belongs to the core areas of European Union law. Without the general prohibition of state subsidies to undertakings, competitiveness would be distorted and the benefits of the internal market would be put in jeopardy. This book deals systematically article-by-article with the basic ...
