Since no gift tax was incurred (probably due to the application of the unified transfer tax credit), the Johnsons have an income tax basis in the Teton tract of \$50,000 (i.e., the father's basis). Thus, the disposition of the property results in a realized gain of \$750,000 [\$800,000 (value received) - \$50,000 (basis of property transferred)].

A student loan is a type of loan designed to help students pay for post-secondary education and the associated fees, such as tuition, books and supplies, and living expenses. It may differ from other types of loans in the fact that the interest rate may be substantially lower and the repayment schedule may be deferred while the student is still in school.
