Flic Flac vu par... « Flic Flac est un spectacle tout en douceur et en poésie qui nous plonge dans l'univers des petits cirques itinérants. Le très joli dispositif scénique, simple mais ingénieux, éveille la curiosité des enfants et nous fait vivre les numéros de cirque « comme s'ils étaient vrais ».

What is a FLC file? Every day thousands of users submit information to us about which programs they use to open specific types of files. While we do not yet have a description of the FLIC file format and what it is normally used for, we do know which programs are known to open these files. See the list of programs recommended by our users below.

FLIC File - What is it and how do I open it?
The original FLIC file format was described by its author (Jim Kent) in Dr. Dobb's Journal, March 1993.The original purpose of this document was to document the modifications and extensions that EGI (a FLIC compiler and player engine) adds to the FLIC file format, but since then it has grown to include all other extensions and variations as well. As you may not have Jim Kent's article, all ...

I have a huge collection with FLAC files. Some time in future I'm thinking of re-encoding it. The "problem" is: I can't find a smooth way of doing this. Foobar2k has the option to "overwrite original files", but when encoding it fails, because it tries to delete the file before its decoded. (File in use).

[Q] How to re-encode and replace original FLAC files with ...
A file with the FLAC file extension is a Free Lossless Audio Codec file, an open source audio compression format. It can be used to compress an audio file down to around half of its original size.
