François Rabelais was born at the end of the fifteenth century. A Franciscan monk turned Benedictine, he abandoned the cloister in 1530 and began to study medicine at Montpellier. Two years later he wrote his first work, Pantagruel, which revealed his genius as a storyteller, satirist, propagandist and creator of comic situations and characters. In 1534 he published Gargantua, a companion to ...

Although the five books of Gargantua and Pantragruel are often presented chronologically, François Rabelais actually wrote the second book first, which is the story of Pantagruel. Research by Donald M. Frame indicates that Rabelais wrote his story about Pantagruel in the early 1530s after an anonymous writer wrote and published a successful story about a giant by the name of Gargantua.

Gargantua and Pantagrue Summary | GradeSaver

Rabelais is the benchmark, the measuring rod for that which defies measurement. Almost everything about Gargantua and Pantagrue testifies to its excess. The plot is so convoluted as to defy synopsis. By comparison, Cervantes seems austere and punctilious. Rabelais's book is both long and long-winded, and it crosses conventional boundaries of style
