Hooked: Five Addicts Challenge Our Misguided Drug Rehab System. By Lonny Shavelson. ISBN 1-56584-684-2. TWO REVIEWS! Craig Whalley and Marty N. Craig's review: This book is not easily pigeonholed. It centers on a critique of public policy issues surrounding drug rehabilitation efforts aimed at "street" addicts, who have no resources to apply to private treatment.

Book Talk: Hooked: Five Addicts Challenge Our Misguided ...

Highly readable and shaped by Shavelson's experience as a journalist and physician, Hooked takes us through the anguishing "intake" and controversial House meetings, inside counselors' and judges' offices where many treatment decisions are made, and to prison cells where, under current policies, many addicts end up. It explores the links between drug addiction, mental illness, and trauma, including child abuse--links often ignored by current rehab efforts--and argues for an integrated ...

Hooked : five addicts challenge our misguided drug rehab ...

Hooked is a very good book. It starts of as one of those investigative journalist things with a description of real drug addicts. Often books of this type look at these people as if they were the inmates of a zoo, but rather than doing that the book uses their problems to illustrate the difficulties which plague organisations which provide assistance to drug addicts.
