Amazon.com: Introducing English Semantics (9780415180634 ...

This English lesson plan outlines how to teach English students about semantic meaning. Semantics is generally defined as the study of meaning within a language. Semantics contrasts with pragmatics in that semantics studies meaning regardless of context while pragmatics focuses on language use within specific contexts.

Teaching Semantic Meaning to English Students - BrightHub ...

English. Though the book is a self-standing introduction to English semantics and pragmatics, I hope that readers will be interested enough to want to learn more. For any who have the opportunity to do additional reading, the terminology introduced here should suffice for them to make headway with a range of intermediate-level books about ...
