After major improvements in the Jeep YJ series (1987-1995), the Jeep TJ generation (1996-2006) took our hearts by storm. Returning to Jeep's CJ off-roading roots and incorporating the creature comforts of the YJ generation, the Jeep TJ seemed like the perfect combination of off-roading, sport, and family comfort.

To take the doors off your Jeep, start by rolling down the windows and folding in the side mirrors. Then, unhook the black safety straps from the body of the Jeep, and unplug the wiring pigtailed if your Jeep has power windows and locks. Next, use a socket wrench to remove the nuts from the bolts that hold the doors in place.

The Jeep Cj and the Wrangler concept have a single axle and an open roof. Its name derives from the model, which is as important to the brand as the rear-wheel-drive Porsche 911. The convertible with a removable hard or soft top is standard. In 2005 both automatic and 6-speed manual transmissions were available.
