An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

The keys provide some interesting shortcuts for common computer functions that can be useful tools in everyday computing. The keys are frequently used in combination with other keys such as the CTRL key, the ALT key, and the SHIFT key. F1. F1 is mostly used as the help key. Almost every program will open the help screen when this key is pressed.
