Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

### Dog Owner's Guide: Kids and Dogs: A Common Sense Approach

Many dogs are exceptionally tolerant of mishandling by both kids and adults. They show signs of anxiety, yet never get to the point of biting. Other dogs tolerate things they don't enjoy for a period of time, or from certain people and not others, but at some point they have just had enough and they growl or snap.

There, at a clearly marked crosswalk, a group of young kids were waiting for cars to yield so they could safely cross the road. Regrettably, though, it seems that many drivers weren't eager to extend that courtesy without being told to. So, that's exactly what this dog did — taking on the role of crossing guard on the kids' behalf.
