### Space Cadet Robert A Heinlein

Space Cadet is a 1948 science fiction novel by Robert A. Heinlein about Matt Dodson, who joins the Space Patrol to help preserve peace in the Solar System. The story translates the standard military academy story into outer space: a boy from Iowa goes to officer school, sees action and adventure, shoulders responsibilities far beyond his experience, and becomes a man.

### Space Cadet - Wikipedia

As Space Cadet by Robert A. Heinlein begins, a candidate for a space program takes a phone out of his bag and calls his father. Modern readers may pass by this communication with little notice, but describing a cell phone in 1948, the year this was first published, was at the time the height of science fiction.

### Space Cadet (Heinlein's Juveniles, #2) by Robert A. Heinlein

Space Cadet is the seminal novel of a young man's education as a member of an elite, paternalistic non-military organization of leaders dedicated to preserving human civilization, the Solar Patrol, from the science fiction grandmaster. Only the best and brightest--the strongest and the most courageous--ever manage to become Space Cadets, at the Space Academy.
