The Fountain Of The Love

The fountain brings forth the water, into which Cupid dips his arrows or from which lovers drink and fall in love. In nearly every period, artists have painted this romantic motif. During the 1700s, artists came to treat the Fountain of Love almost as a genre subject, with lovers in contemporary dress flirting in a garden around a decorative fountain.

The Fountain of Love, dated 1748, originally served as a finished cartoon for a tapestry, one of a series of six known as the Noble Pastorales; another one of this series and this painting's pendant, The Bird Catchers, is also in the J. Paul Getty Museum. Beginning in 1755, the Beauvais tapestry manufactory wove the tapestries directly over the cartoons.

The Fountain of Love | Art UK A new mood of gravity and romantic passion enters Fragonard's art in 'The Fountain of Love'. Two lovers are shown hastening to the fountain, 'both aflame, eyes shining, they direct their thirst and the desire of their lips towards the enchanted cup', as the Goncourts memorably described.

One of the things I really love about The Fountain is that it's beautiful and touching without trying to be anything it isn't. It's an honest film, and it does everything it wants to do effortlessly and flawlessly, with graceful, sweeping movements that etch a stunning caricature of rich, luscious aesthetics into an otherwise simple story.
