The Lightness is a reductive imitation of far better novels, puffed up on rambling purple prose and ideas the author considers profound but have crossed the mind of average people since time immemorial. Unfortunately, it's nothing more than a bag of cheap tricks: per usual, we have allusions to a terrible disaster occurring among a group of teenage girls; per usual, the disaster isn't that ...

...

The Quantum Reach stood out of place among a chaotic stretch of nothing, like a sprawling citadel, a monumental city among the inky blackness of the void below, to the side, and under it. It stood as a haven. A haven from which people who had lost everything had something. A place where someone, who still had so much to give, could give freely.
