However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder.

### The New Imperialism David Harvey

Imperialism is the state policy, practice, or advocacy of extending power and dominion, especially by direct territorial acquisition or by gaining political and economic control of other areas, often through employing hard power, especially military force, but also soft power. While related to the concepts of colonialism and empire, imperialism is a distinct concept that can apply to other ...
