EW 16.2. Here we saw the tree of life and the throne of God. Out of the throne came a pure river of water, and on either side of the river was the tree of life. On one side of the river was a trunk of a tree, and a trunk on the other side of the river, both of pure, transparent gold. At first I thought I saw two trees.

offspring: Or "descendants." Lit., "seed." —See App. A2.. according to the flesh: The Greek word for "flesh" (sarx) here refers to human kinship, physical (earthly) descent, that is, Jesus' descent as a human.Mary was of the tribe of Judah and a descendant of David, so it could be said of her son Jesus that he came to be from the offspring of David according to the flesh.

Multicellular organisms exist as meta-organisms comprised of both the macroscopic host and its symbiotic commensal microbiota. With an estimated composition of 100 trillion cells, human symbionts outnumber host cells by at least a factor of 10 and express at least 10 fold more unique genes than their host's genome (Ley et al., 2006a).These complex communities of microbes that include ...

MYTH. Israel persecutes Christians. FACT. While Christians are unwelcome in Islamic states such as Saudi Arabia, and most have been driven out of their longtime homes in Lebanon, Christians have always been welcomed in Israel and treated as equal citizens. Israel is the only Middle Eastern nation where the Christian population has grown (from 34,000 in 1948 to 182,000 today).
